そう

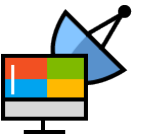

ちょうど出張で西海岸に行く予定があった。

交通手段が決まったら、
会いに行こう。

- 1.メンバーに名前を覚えてもらう
- 2.開発者の住んでいる場所を知る(国や地方)
- 3.アポを取って会いに行く ←

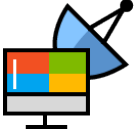

Hello,

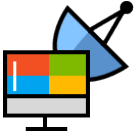

I'd like to meet you and talk about my activities in xrdp users' group Japan. I will visit west coast of the US from Sep 30 thru Oct 4. I'm not sure where you are but your timezone is of west coast, right? ...

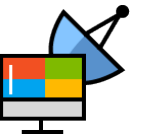

みたいな感じのメールを送ります

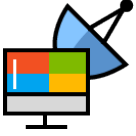

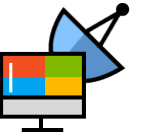

Hi,

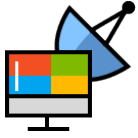

I'm in Singapore now but I'll be back Monday so it shouldn't be a problem. Maybe we can meet in San Jose as it's about 10 minutes from my house.

1. 名前を覚えてもらう

- 存在感を出していこう

2. 開発者の住んでいる場所を知る(国や地方)

- ccTLDやタイムゾーンからなんとなくわかる
- 直接きくのが早い

3. アポを取って会いに行く

- 会社の出張や学会にかぶせるのがオススメ
- 利用できるものは利用しましょう
